Welcome to our New Year Edition

"Goals in writing are dreams with deadlines."

This edition is all about life long learning. Here is a compilation of graduations that took place right before Christmas last year. There was a crazy influx of final assignments from many hard working individuals who wanted to be rewarded with their qualifications before the year was out. The graduates came from wide and far, across Australia. Many graduates have gone on to complete the Diploma of Management as a New Year goal. Congratulations to all.

Congratulations Graduates.....
