## Delivery Arrangements

The Diploma program is typically delivered over a minimum 12 month period using a blend of on and off the job approaches. We combine group learning sessions with self-directed reading, summative assessment projects and research activities and demonstration that combined we have allowed up to 1800 hours for Diploma level. The qualifications can be fast-tracked, depending on current competencies of learner as well as their available time in completing the requirements. For learners completing the qualification via group learning, we have set a minimum of 24 hours of face-to-face group training sessions for Diploma level. In this way learners can learn from each other while being guided by the experienced facilitator.

## Pathways

This qualification can be completed via any of these pathways as follows. We offer flexibility with this qualification.

**RPL:** If you have skills and experience to meet all the competencies of any unit/s, and can demonstrate/document that competency, then you may apply for RPL (recognise prior learning). Please contact our office for more details of this assessment-only process and an application form. Learners should allow 224 hours to complete the qualification in this format; however, this is assuming that they are able to provide sufficient and current evidence.

**Group sessions:** There may be a number of people in your organisation that can come together for a series of training sessions in your workplace, or an agreed alternate location. We have a 14 session ideal structure for Diploma however the amount of time face-to-face can be discussed and agreed depending on the current competencies of the participants and viability of them coming together. This involves a combination of summative and formative assessments that include research, written tasks and demonstration activities.

**Flexible:** It may not be possible or preferential to co-ordinate face-to-face sessions so we can also assist you through the qualification via post, email and phone support. Learners should allow up to 1800 hours regardless.

**Blended Approach:** You may prefer a combination of face-to-face sessions supported by email support and telephone conferencing. We can structure a program by incorporating all of these options.
